Your views count!

Tell us what you want from your police service

Find your survey form inside

Your views count!

Do you have views on how your area should be policed?

Are you concerned about crime and disorder in your area?

WELL, this is your chance to voice your views and make a difference.

WHAT can you do, it's simple

- Complete the form below - tick the boxes to show how **YOU** would prioritise the list. Send it back to us and you will help Northumbria Police Force plan for the future.
- Post it to us free of charge to:
Northumbria Police Authority
FREEPOST NEA 2821
Gateshead, Tyne and Wear
NE8 1BR

By telling us what you think, you will play a part in helping Northumbria Police Authority and the Chief Constable plan for the future. It will help the police take account of your priorities and concerns and deliver a service that meets the needs of the different communities in Northumbria.

Last year over 24,000 people responded to this survey. This helped the new Chief Constable to set policing priorities for 2005/2006. This year the format allows you to say how important things are to you.

More views

If you wish you can make a longer reply, perhaps about the policing of your neighbourhood. Place it in an envelope, mark it clearly with your postcode and send it to the freepost address shown left (you don't need a stamp).

You can also give your views in other ways by:

- Telephone
- Giving your comments on line
- Attending a local police & community forum

How to contact us

For more information on this leaflet or any other aspect of the Police Authority's consultation process, please;

Phone: 0191 433 2091

Email:
enquiries.npa@gateshead.gov.uk

Write to us at the freepost address given in this leaflet.

To complete this survey on line, log on to:

www.northumbria-police-authority.org

You will also find information about the Police and local and national developments in policing.

Different formats

Please phone 0191 433 3444 if you would like this leaflet in braille, large print, on audiotape or in a different language – please see overleaf.
